Your Benefits

Always up-to-date
The Mobile Easykey hardware has proved its high reliability and longevity with customers in though conditions thousands of times. Software, however, is basically a „Living product“, its continuous improvement and further development also helps the hardware – which can thus be used better and more diversely.

By or rent?
You decide whether you want to buy or rent our software in the future. Though, we do not simply offer you a license model, but a complete maintenance contract!

All-round carefree
You pay a fixed amount - per vehicle, per month. In addition, there is a monthly flat rate per Mobile Easykey instance. For this we ensure the smooth functioning of the software Mobile Easykyey Manager (MEKM) in your company.

Kept up to date
