Fleet management just rent!

easyRent without risk

Not every business wants to invest straight away – planning certainty is crucial, particularly in intralogistics. That is why we are expanding our range to include a particularly flexible option: EasyRent.

Whether it's access control, a crash sensor or a complete package including a software licence: we'll put together a bespoke fleet management package for you – without the need for a large upfront investment.

- No capital commitment
- No high one-off investment costs
- Liquidity is maintained
- Calculated rates offer transparency
- Always up-to-date hardware / software
- For any fleet size

The all-round carefree package at a fixed price
